

We would appreciate your prayers over the next few months as preparations go ahead full steam.

1. That we have plenty of people to accomplish the projects we have set up. That everyone will do his part in raising funds for the trip, especially sending out support letters.
2. That we will all get the illnesses out of our systems before we leave, and we leave the Mexican sicknesses in Mexico when we come back.
3. That we will be unified in spirit and intent, and seek to glorify God in everything we do.
4. That we will share the Gospel at every opportunity, before we leave, as we go, and when we come back.
5. That we will have enough adult leaders to cover all the needs we have on the trip.
6. That we will have no fear in what arises during the trip, but trust God to care for us throughout.

The trip is March 25-April 2, 2023.
