

We will have buckets to adopt and fill starting in February, so be sure to grab one. We need the following:

School supplies: pencils, pens, rulers, erasers, sharpeners, scissors, notebooks

Toiletries: shampoo, conditioner, deodorant, bar soap, lotion, toothbrushes and toothpaste, combs, hairbrushes, hair clips, hair bands, barrettes

Feminine products (large packages, please!)

Household goods: washcloths, dish towels, clothespins, safety pins, sewing kits, sewing needles (machine and hand), tote bags, coin purses

Toys: small toys and games: balls (inflatable if possible) for all sports, jacks, jump ropes, yo-yos, cars.

Be sure to look for great deals on these items, and we'll take stuff from garage sales, too. We also take the hotel/travel size (even if it's been opened) toiletries, but don't buy these. **AIM TO PAY \$1 OR LESS FOR THESE ITEMS IF POSSIBLE!** (not feasible for feminine products, but look for good coupons to bring the costs down on these)
